

You are invited to attend the #1 Educational Conference for professional mail, document, and distribution management.

Who attends MAILCOM?

Executives, managers, and supervisors responsible for mail, document, and distribution operations in corporations, institutions, government, and mail services companies.

What do they learn?

The latest regulations, strategies and technologies for mail, document, and distribution services including Best Management Practices on achieving efficient, profitable, and customer-focused services in these areas:

- + Mail Systems Management
- + Safety & Security
- + Address/Data Management
- + Full Service/Mailer's Scorecard
- + Mail Printing & Processing
- + Postal Mail Management
- + Women In Management
- + Leadership/Staff Development
- + Document Management
- + Delivery & Distribution
- + Incoming Mail/Remittance Processing
- + Digital Mail Applications
- + Professional Development
- + College & University Management
- + Office Services
- + International Mail
- + Outsourcing & Contract Management
- + Government Mail
- + Production Inkjet in Mail Printing
- + Technology & Innovation
- + Professional Certification

“ I REALLY, REALLY enjoyed MAILCOM! I felt everything was top notch! I can't believe I never knew about the conference until recently. I made a lot of great new relationships at the conference and learned some valuable information. I look forward to attending MAILCOM '18 in Philadelphia. ”

– Jason Meekins
Bank Services Manager
Texas Farm Credit Bank
